NETWORK INTERCONNECTION SERVICES TARIFF

SECTION 3 - ORDERING SERVICE (CONT'D.)

3.1 Network Interconnection Arrangements (Cont'd.)

3.1.1 Ordering Requirements (Cont'd.)

- B. If a LEC chooses to use the combined trunk group option it must provide the Telephone Company with projected usage percentages of the POTS traffic for the terminating traffic by billing account per LATA per end office.
 - 1. The Telephone Company will provide an appropriate service request form that must be completed by the ordering LEC for this purpose.
- C. It is the obligation of the LEC to properly size and order trunk groups for the termination of its traffic by end office or access tandem, and by service where appropriate. The Telephone Company will provide additional trunks or facilities where facilities exist.
