

## DEFINITIONS

Certain terms used generally throughout this Tariff are described below.

**Advance Payment:** Part or all of a payment required before the start of service.

**Access Services:** The Company's intrastate switched exchange access services offered pursuant to this Tariff.

**Carrier or Common Carrier:** See Interexchange Carrier.

**Company:** Trans National Communications International, Inc., the issuer of this Tariff.

**Commission:** The New York Public Service Commission.

**Customer:** Any individual, person, firm, partnership, association, joint-stock company, trust, governmental entity, corporation or other entity that directly or indirectly obtains access Service. A Customer is deemed responsible for the payment of charges and compliance with the Company's regulations. An Interexchange Carrier is deemed a Customer of the Company if any of the Interexchange Carrier directly or indirectly sends traffic to or receives traffic from a central office code ("NPA-NXX") assigned to the Company. The use of the Company's Access Service constitutes an order for such service and requires compliance with the obligates, rates, and charges as set forth in this Tariff, regardless of whether the Customer has affirmatively requested service or has an executed service order.

**Discontinuance or Suspension of Service:** For Incidental Service, the blockage of Customer's traffic terminating on Company's network or traffic originating on Company's network and terminating on Customer's network.

**End Office:** With respect to each NPA-NXX code prefix assigned to the Company, the location of the Company's End Office for purposes of this Tariff shall be the point of interconnection associated with that NPA-NXX code in the Local Exchange Routing Guide, issued by Telcordia.

**End User or User:** The term End User denotes a subscriber or user of an intrastate, interstate or foreign telecommunications service that is not a Carrier. A Carrier, other than a telephone company, shall also be deemed to be an "End User" when such Carrier uses a telecommunications service for its own internal administrative purposes. A person or entity that offers telecommunications services exclusively as a non facilities-based reseller shall be deemed to be an "End User" if all resale transmission offered by such reseller originates on the premises of such reseller.
