SECTION 2 - GENERAL REGULATIONS, (CONT'D.)

2.6 Payment For Service Rendered, (Cont'd.)

2.6.4 Payment Of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company as set forth in this tariff or by mutual written agreement of the parties.

- A. Non-recurring charges are due and payable as set forth in Section 2.4.4.B. The Company shall present invoices for Recurring Charges monthly to the Customer, in advance of the month in which the service is provided, and Recurring Charges shall be due and payable as set forth in Section 2.4.4.B. When billing is based upon Customer usage, usage charges will be billed monthly for the preceding billing period.
- B. All charges are due and payable by the next bill date (i.e., same date in the following month as the bill date) and are payable in immediately available funds.
- C. When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.
- D. Billing of the Customer by the Company will begin on the Service Commencement Date, which is the day on which the Company notifies the Customer that the service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this tariff or the Service Order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.
- E. If service is disconnected by the Company in accordance with Section 2.9.1 and Section 2.9.4 following and later reinstalled, service will be subject to all applicable installation charges for the reinstallation. If service is suspended by the Company and later restored, it will be subject to all applicable restoration charges.
