SWITCHED ACCESS SERVICES TARIFF

SECTION 11 - MISCELLANEOUS CARRIER SERVICES

This section sets forth the rules and charges associated with services provided to other carriers in addition to the access services discussed in preceding sections of this tariff.

This section clarifies and supplements the rules and procedures adopted by the Company for services provided to other carriers as referred to in existing interconnection agreements between the Company as well as any other tariff set forth by the Company or other carrier for the provisioning of telecommunications service to end user Customers.

11.1 Administrative Services

11.1.1 Revised Orders

Revisions to existing service orders will be made when the actions of another carrier require that a previously agreed-upon date cannot be met for the delivery of a circuit to the Company's network. In such situations, the Company will assess a charge to the other carrier for changes to the existing order(s).

	<u>Min.</u>	<u>Max.</u>
Per Line, Per Revision:	\$5.00	\$40.00

11.1.2 Power and Space Rentals

The Company will assess a monthly recurring charge for rack space and equipment power utilized by other carriers.

Per Month, Per Premise**:	<u>Min.</u>	<u>Max.</u>
Albany, Buffalo, and Syracuse Markets	\$150.00	\$750.00
Rochester Market	\$ 75.00	\$300.00
Non-Recurring, Per Premise**:	<u>Min.</u>	<u>Max.</u>
Rochester Market	\$2,500	\$12,500

* Such charges will only apply to situations wherein the other carrier has comparable charges for changes to existing orders.
