## SECTION 5 - CONSUMER SERVICE DESCRIPTIONS

### 5.10 LOCAL CALLING PLANS (Cont'd)

#### 5.10.8 AT&T One Rate Multi-Line Plan (Cont'd)

Customers must agree to receive a billing statement from AT&T for all their AT&T calls, and agree not to receive individual call detail for any calls that are included in the unlimited portion of this offer, such as originating or terminating points called, time-of-day called, or a list of the number of minutes called. Call detail will be provided where a usage rate applies. Rates and service charges for calling card and operator-assisted calls apply.

If at any time the customer selects a carrier other than AT&T as their Primary Long Distance Carrier and/or Primary IntraLATA Toll Carrier, the customer will continue to be billed the monthly rates for this plan, and will continue to receive local service and features provided in this plan, until AT&T is notified by the Customer to transfer to another Local Service Plan, or cancel local service.

If at any time the customer selects a carrier other than AT&T as their Local Exchange Carrier, the customer will terminate their participation in this plan. In this event, the customer will be billed at the respective tariffed rates found under the AT&T One Rate 10 Cents specified in the Company's Message Telecommunications Service Tariff, P.S.C. No. 23, if the customer maintains AT&T as their intrastate intraLATA Carrier with or without AT&T as their interLATA carrier. (T)

Nonpayment or partial payment of a bill may result in the removal of the toll service included in this offer. When toll service is removed, the customer will continue to be billed the Monthly Recurring charge associated with this plan.

This plan is only available to customers residing in the local exchange service areas served by AT&T and is provided where billing capabilities exist.

This offer is an add-on to the AT&T's interstate offer described in <http://www.att.com/serviceguide/home>.
