SECTION 5 - GRANDFATHERED SERVICES (CONT'D.)

5.6 Travel Service Plus 159* (159)

Travel Service Plus 159 allows Customers to initiate calls anywhere within New York by using any touchtone telephone. It involves dialing an access number (local or 800), followed by the Customer's authorization code (Customer Identification Number), and then the called number. Calls are billed in six (6) second increments after an initial period, for billing purposes, of eighteen (18) seconds. Intrastate service is only offered in conjunction with interstate and international service. An interstate monthly recurring charge is associated with this product.
