SECTION 3 - DESCRIPTION OF SERVICE (CONT'D.)

3.6 Enhanced Toll Free Services

The following features may be obtained as an enhancement to an Inbound 800 Services described within this tariff. The rates for the following features shall be in lieu of the subscriber's rates for Inbound 800 Service.

3.6.1 Enhanced Toll Free Routing Package

Enhanced Toll Free Package provides customers with the following features, as described below: Time of Day Routing, Holiday Routing, Point of Origination Routing, Toll Free Blocking and Percent Allocation. These features can be used if the Customer subscribes to the Enhanced Toll Free Routing Package, or purchased a la carte, as defined below. The monthly recurring, and installation charges apply per toll free number, regardless of the number of features ordered. Change charges apply for each subsequent change request in routing.

A. Time of Day Routing

This feature permits the inbound 800 subscriber to arrange for calls to a single toll free service number to be routed to different locations based on a Customer-defined time of day. The number of time of day routing schedules are subject to the Company's capacity to process and store routing schedules. The monthly recurring and installation charges apply per toll free number. Change charges apply for each subsequent change request in routing.

B. Day of Week Routing

This feature permits the Inbound 800 subscriber to arrange for calls to a single toll free number to be routed to different locations based on the particular day of the week. The subscriber can establish a different routing arrangement for each day of the week, with a maximum of seven unique routing schemes. The monthly recurring and installation charges apply per toll free number. Change charges apply for each subsequent change request in routing.
