SECTION 2 - RULES AND REGULATIONS (CONT'D.)

2.16 Specific Regulations for Inbound 800 Services (Cont'd.)

2.16.5 It is the Customer's responsibility to provide answer supervision back to the Company's point of connection even when the DeltaCom Inbound 800 Service is connected to switching equipment or a Customer-provided communications system. In such case, the equipment or system must provide appropriate supervision so that the measure of chargeable time begins upon answer of the call to the Customer's switching equipment or communications system and ends upon termination of the call.

2.16.6 Subject to execution of a Resp. Org. Service Agreement between the Company and the Customer, the DeltaCom Resp. Org. will perform the function of Resp. Org. for all DeltaCom Inbound 800 Service orders unless the Customer requests another Resp. Org. DeltaCom Resp. Org. functions include: A. search for and reservation of 800 numbers in the SMS/800; B. creating and maintaining the 800 number customer record in the SMS/800; and C. provision of a single point of contact for trouble reporting.

A. Where the Company serves as the Resp. Org. for a DeltaCom Inbound 800 Service Customer, the Company will, at the Customer's request, subscribe to 800 Directory Listing for the 800 number(s) assigned to the Customer. A charge for 800 Directory Listings may apply as set forth in Section 4 of this tariff. In the event that a Customer transfers its 800 service to another Resp. Org., the Company shall cease to subscribe to 800 Directory Listing Service on behalf of the Customer and the Customer is responsible for assuring that 800 Directory Listing Service is maintained through the new Resp. Org. The Customer is responsible for payment of any outstanding 800 Directory Listing charges, including any unexpired portion of any minimum period applicable to such service, and the Company shall have no liability for any interruption or other delay, error, mistake, omission or other defect occurring in connection with the transfer of 800 Directory Listing responsibilities.
