FACILITIES-BASED DATA AND VOICE COMMUNICATIONS SERVICES TARIFF

SECTION 11 – ONE COMMUNICATIONS SERVICES, RATES AND CHARGES (CONT'D.)

11.10 One Communications Basic IP Trunking (Cont'd)

11.10.2 Restrictions

Customer-premises equipment must be compatible with Company provided equipment including but not limited to a Company-provided integrated access device (IAD). Unless otherwise agreed to in writing, Company-provided equipment shall, at all times remain the property of the Company. Upon termination of service, the Customer will provide the Company reasonable access to the Customer's premises for purposes of removing Company-provide equipment. In the event the Customer fails to provide the Company with said access or should Company-provided equipment be returned to the Company in worse condition than that which could be reasonably expected from normal use and wear, then in such event, Customer will be liable to the Company for the equipment's current replacement cost.
