
SECTION 4 - MISCELLANEOUS SERVICES

4.1 Directory Assistance

Directory Assistance provides to the Customer available published telephone numbers of switched voice telephone service subscribers based on name or name and address information provided by the Customer to the Directory Assistance operator. The Directory Assistance charge applies to each call by the Customer requesting Directory Assistance regardless of whether the Directory Assistance bureau is able to furnish the requested telephone number. Directory Assistance will provide the Customer with up to two telephone numbers per call. If the Customer should disconnect the call prior to being provided the two telephone numbers, the Directory Assistance charge is applicable. All applicable service charges and surcharges apply in addition to the Directory Assistance charge specified below. If the Customer receives an incorrect telephone number and notifies the Company, a billing credit for Directory Assistance charges shall be provided.

The Directory Assistance charge will be waived for calls to Directory Assistance (other than Directory Assistance Call Completion) by a properly certified hearing impaired Customer who utilizes a TDD to access the service.
