**(2) Waiver - Continued**

- (b) In the case of a dwelling having a flat roof, compliance with the roof insulation standard will not be required if four or more inches of insulation are already in place or if insulation can be installed only by means of cutting an opening in the roof.
- (c) In the case of a dwelling having six or more stories, storm windows will not be required as long as the Company certifies that the dwelling's windows are caulked and weather-stripped. This certification shall be made in writing to the Commission. A storm window will not be required on any window opening onto a fire escape.
- (d) Copies of waivers granted or denied by the Company shall be made available to the Commission. Applicants denied waivers shall be informed of their right to appeal that denial to the Commission.
- (e) The Commission may grant a waiver of the requirements of Subdivision C (1) for just cause after an applicant for gas service has been denied a waiver by the Company.
