SWITCHED ACCESS SERVICES

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.3 Obligations of the Customer, (Cont'd.)

2.3.3 Jurisdictional Report Requirements, (Cont'd.)

A. Jurisdictional Reports, (Cont'd.)

6. Effective on the first of January, April, July and October of each year the Customer shall update the interstate and intrastate jurisdictional report, except where Company Measured Access minutes are used as set forth in 3. preceding. The Customer shall forward to the Company, to be received no later than 30 days after the first of each such month, a revised report or letter for all services showing the interstate and intrastate percentage of use for the past three months ending the last day of December, March, June and September, respectively, for each service arranged for interstate use. The revised report or letter will serve as the basis for the next three months' billing and will be effective on the bill date for that service. If the Customer does not supply an updated quarterly report or letter, the Company will assume percentages to be the same as those provided in the last quarterly report or letter accepted by the Company. If an audit has been completed and an updated quarterly report or letter has not been submitted subsequent to the audit, the Company will assume the PIU factors to be the most recent audited results. For those cases in which a quarterly report or letter has never been received from the Customer, the Company will assume the PIU factors to be the most recent audit results, to be the same as provided in the order for service if no audit has been performed, or 50 percent.
7. The Customer may also report Percent Intrastate InterLATA (PIL) and Percent Common Line (PCL) factors. In the event the Customer does not supply the projected PIL, and the Company does not have sufficient call detail to determine the jurisdiction of the call, then a PIL of 75 percent will be applied. In the event the Customer does not supply the projected PCL, then a PCL of 100 percent will be applied.
