COMPETITIVE TELECOMMUNICATIONS SERVICE TARIFF

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Access Line - An arrangement which connects the customer's location to a Company switching center or point of presence.

Account Codes - Optional, customer defined digits that allow the customer to identify the individual user, department, or client associated with a call.

Authorized User - A person, firm, corporation, or any other entity authorized by the Customer to communicate utilizing the Carrier's service.

Call - A completed connection established between a calling station and one or more called stations.

Customer - The person, firm, corporation, or other entity which orders, cancels, amends, or uses service and is responsible for payment of charges and compliance with the Company's tariff.

Company or Carrier – Talk America Inc. d/b/a Cavalier Telephone and also d/b/a PAETEC Business Services, otherwise clearly indicated by the context.

Holidays - The Company observes the following holidays for specific products: New Years Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

LEC - Local Exchange Company.

Special Access Origination - Where originating access between the customer and the interexchange carrier is provided on dedicated circuits. The cost of these dedicated circuits is billed by the access provider directly to the end user.

Switched Access Origination - Where originating access between the customer and the interexchange carrier is provided on local exchange company Feature Group circuits and the connection to the customer is a LEC-provided business or residential access line. The cost of switched Feature Group access is billed to the interexchange carrier.

Travel Card - A proprietary calling card offered by the Company which enables the Customer to use the Company's service by dialing a Company-provided access number.

V & H Coordinates - Geographic points which define the originating and terminating points of a call in mathematical terms so that the airline mileage of the call may be determined. Call mileage is used for the purpose of rating calls.
