COMPETITIVE TELECOMMUNICATIONS SERVICE TARIFF

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.21 Gross Revenue Tax Surcharge

The applicable Gross Revenue Surcharge rates and MTA tax rates are shown on a statement which is attached to this tariff. Any changes to these rates will be filed on fifteen (15) days notice to Customers and the Commission, or as directed by the Commission. Customers will be notified of any changes by bill insert or separate mailing no later than the first billing period following the date of change. Whenever the state levies a new tax on the Company's gross revenues, repeals such a tax, or changes the rate of such tax, the Commission may approve new surcharge factors, and the company will file revised surcharges as directed by the Commission.¹

2.22 Reservation of Toll Free Numbers

The Company will make every effort to reserve Toll Free (i.e., "800/888") vanity numbers for customers, but makes no guarantee or warranty that the requested number(s) will be available.

2.23 Portability of Toll Free Numbers

The Company will participate in porting Toll Free (i.e., "800/888") numbers only if the account balance is zero and all charges incurred as a result of the Toll Free number have been paid.
