(T)

a. Application of Charges

A Monthly Recurring Charge (MRC) is billed each month in advance and applies per account, regardless of the number of lines presubscribed to the Company's Five Cents Plan Service. If there are multiple lines on an account, only one MRC will be assessed. Interstate and international services are provided in accordance with the corresponding interstate and international service terms and conditions. The MRC applies in full each month for each account, except in the case of the first and last month partial billing cycles where the MRC will be prorated based on the actual number of days the Customer had the service during the billing cycle. When service is used for both interstate and intrastate calling, the MRC applies only once.
