Preferred Travel Service is provided to Residential and Business Customers who have chosen the Company as their preferred carrier of choice for originating calls when away from the home or office by dialing a Company-provided toll-free access code or number, entering the destination number and entering the Customer's Authorization Code. The caller enters the necessary travel/calling/credit card digits or other billing information (e.g., name of called party for Collect Calls) when prompted by the Company's automated operator system.
- (B) Station-to-Station Operator Assisted - The Customer dials a toll-free access number or code plus the destination number and utilizes the assistance of a live operator to bill the call (e.g., operator enters travel/calling/credit card digits or other billing information).
- (C) Station-to-Station Operator Dialed - The Customer dials a toll-free access number or code only and utilizes the assistance of a live operator to enter the destination number and bill the call (e.g., operator enters travel/calling/credit card digits or other billing information).
