SERVICE AND RATE DESCRIPTIONS3.1 Access Services (cont'd.)3.1.1 Access Service Order (cont'd.)B. Access Order Modifications (cont'd.)3. Design Change Charge

The customer may request a design change to the service ordered. A design change is any change to a Network Access Order which requires engineering review. Design changes do not include a change of customer premises, end user premises, end office switch, Feature Group type except for changes to Feature Group D. Changes of this nature will require the issuance of a new order and the cancellation of the original order with appropriate cancellation charges applied.

The Design Change Charge will apply on a per order per occurrence basis, for each order requiring a design change. The applicable charge is set forth in Section 5.1.1.C following. If a change of service date is required, the Service Date Change Charge will also apply.
