

RCN Telecom Services of New York, LP

Section 3

Leaf No. 48

PSC No. 4 - Telephone

Revision No. 0

Effective Date: July 1, 2012

Superseding Revision No. 0

SERVICE AND RATE DESCRIPTIONS3.2 Miscellaneous Services (cont'd.)3.2.1 Presubscription (cont'd.)A. InterLATA2. (cont'd.)

New end users subscribing to the Company's Exchange Access Service which do not specify a PIC will default to the Company as their initial PIC selection. Subsequent to the installation of Exchange Access Service, and after the end user's initial selection of a PIC, for any additional change in selection, a nonrecurring charge as set forth in Section 5.2.1 applies. This charge is billed to the end user which is the subscriber to the Exchange Access Service, or upon request by the selected IC, billed to the IC on behalf of the end user.

If an IC requests a Primary Interexchange Carrier (PIC) change on behalf of a billed party (e.g., end user), and the billed party subsequently denies requesting the change, and the IC is unable to substantiate the change with a letter of authorization signed by the billed party, then:

- The billed party will be reassigned to their previously selected IC. No charge will apply to the billed party for this reassignment.
- The Unauthorized Presubscription Change Charge as set forth in Section 5.1.2.B. will apply to the IC that requested the unauthorized PIC change. This charge is applied in addition to the PIC change charge set forth in Section 5.1.2.A. following.
