Corning Natural Gas Corporation  
Initial Effective Date: 6/20/2012

Leaf: 81  
Revision: 5  
Superseding Revision: 4

"Issued in Compliance with Commission Order "11-G-0280" Issued and Effective April 20, 2012"

A tariffed charge for balancing shall apply to all transportation customers, except those served under SC11 individually negotiated contracts. SC11 customers will negotiate balancing charges in their contracts. If the Company makes changes to the contracted volume of storage, the balancing and swing charges will need to be reviewed and/or modified. The rate shall be provided in a monthly statement to be filed with the Public Service Commission. Collections from the balancing and swing charge shall be credited to the Gas Adjustment Clause.
