Effective Date: June 14, 2012

Leaf 34
Revision 0
Superseding Revision:

GENERAL AND LOCAL EXCHANGE SCHEDULE

SECTION 3 - LOCAL RATE SCHEDULE, (CONT'D.)

3.8 Group Eight (Private Line), (Cont'd.)

3.8.2 Integrated Services Digital Network (ISDN), (Cont'd.)

A. ISDN-Basic Rate Interface Service (BRI), (Cont'd.)

5. Rules and Regulations, (Cont'd.)

j. Moves

1. Customer requests for moves involving a change between suitably equipped ISDN-BRI serving central offices constitutes a disconnection of service and the customer must establish a new service for that part of the service involved.
2. Customer moves occurring within the same ISDN serving office will not constitute a disconnection of service if the service is merely reestablished with a new loop facility. The reestablishment of service with a new loop facility will subject the customer to installations charges for each BRI

k. Seasonal and Vacation Service is not available in connection with ISDN-BRI Service.

- l. Presubscription to an InterLATA carrier of preference applies to ISDN-BRI Service just as it applies to analog (POTS) telephone service. Each B-Channel within a customer's business system may have a different carrier of preference.
