GENERAL AND LOCAL EXCHANGE SCHEDULE

SECTION 6 - RESALE SERVICES

6.1 Application of Tariff

This section sets forth the facilities and services made available by Taconic Telephone Corp. (Taconic) on a wholesale basis. Taconic is a corporation which operates a telecommunications network headquartered in Chatham, New York, serving portions of Rensselaer, Columbia and Dutchess Counties. Taconic Telephone Corp. offers the use of its network in total to Resellers who provide telephone service to business and residential end users. These Customers must do so in compliance with PSC regulations as set forth in 16 NYCRR.

General Rules and Regulations applicable to local exchange services are set forth in the New York State Telecommunications Association, Inc. PSC No. 1 - Telephone Tariff. The rates applicable to Resale Service are those set forth in Taconic Telephone's PSC No. 3 - Telephone, but reduced by an amount of 5% for the first 500 access lines purchased by and in service for any one reseller, and reduced by an amount of 12% for access lines in excess of 500 purchased by any one reseller. The 5% and 12% rate discounts will apply to the end user access lines, themselves, as well as any non-recurring charge and other basic or non-basic services or features provided in association with the resold access lines.

6.2. Definitions - As used in this section

1. Customer/Reseller

The terms "Reseller" or "Customer" refer to the certified carrier purchasing wholesale services under this tariff.

2. End User

The term "End User" means a person who purchases services for use rather than for sale to another, End Users may not purchase services under Section 6 this tariff.
