Initial Effective Date: June 1, 2012

Leaf No. 7
Revision No. 0
Superseding Revision No. 0

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, Continued

Measured Service:

The provision of long distance measured time communications telephone service to customers who access the Company's service at its contracted interexchange carriers' switching and call processing equipment by means of access facilities obtained from local exchange common carrier(s). Company contracted interexchange carrier is responsible for arranging the access lines.

Subscriber:

See "Customer" definition.

Universal Range:

Limitation of a Customer's ability to place calls to selected Area Codes through the placement of restrictions on a Customer's 1+ and calling card access to the network. Such limitations are imposed by only specific request of Customers on their own lines or cards.

Verified Account Code:

A numerical code, one or more of which are available to a customer to enable identification of individual users or groups of users on an account and to allocate costs of service accordingly. Account codes are verified against a predefined list of codes maintained by the Company.
