## SPECIALIZED COMMON CARRIER SERVICE

### SECTION 1. TECHNICAL TERMS AND ABBREVIATIONS (cont'd)

**Person-to-Person:** The term "Person-to-Person" denotes that service where the person originating the call specifies to the Company operator a particular person to be reached, a particular mobile station to be reached through a miscellaneous common carrier attendant, or a particular station, department, or office to be reached through a Centrex or PBX attendant. When, after the station, miscellaneous common carrier mobile radio system, Centrex, or PBX called has been reached and while the connection remains established, the person originating the call requests or agrees to talk to any person other than the person specified, or to any other person or mobile station to be reached through a miscellaneous common carrier attendant, or to any other station, department or office to be reached through a Centrex or PBX attendant, the classification of the call remains Person-to-Person. When the person originating the call wishes arrangements made in advance with a particular party or station for the establishment of a connection at a specified time (appointment call) the call is classified as Person-to-Person.

**Real Time Rated - Real Time Rated** calls are those that originate and are paid for at public or semi-public telephones and calls for which the Company furnishes time and / or charge information.

**Room Charge Calls -** Calls for which charges are collected by the subscriber, normally a hotel or motel, from the guest or occupant of the room from which the call originated. Calls of this type require that Company communicate the call detail and charges back to the originating subscriber location following completion of the call.
