SPECIALIZED COMMON CARRIER SERVICE

SECTION 1. TECHNICAL TERMS AND ABBREVIATIONS

Access Line: An arrangement from a local exchange telephone company or other common carrier, using either dedicated or switched access, which connects a subscriber's location to RCN's location or switching center.

Authorization Code: A numerical code, one or more of which may be assigned to a Customer to enable identification of individual users or groups of users on an account and to allocate costs of service accordingly. Authorization Codes are the sole property of the Company, and no Customer shall have any property or other right or interest in the use of any particular Authorization Code.

Automatic Numbering Identification (ANI): A type of signaling provided by a local exchange telephone company which automatically identifies the local exchange line from which a call originates.

Bill to Third Party: The term "Bill to Third Party" denotes a billing arrangement by which a call may be charged to an authorized station as determined by the Company other than the station originating the call or the station where the call is terminated.

Billed Party: The person or entity responsible for payment of the Company's service. The Billed Party is the Customer associated with the Authorization Code used to place the call, with the following exceptions:

- (a) In the case of a calling card or credit card call, the Billed Party is the party assigned the Authorization Code for the calling card or credit card used by the Users:
and
- (b) In the case of a collect or third party call, the Billed Party is the person responsible for the local telephone service at the telephone number that agrees to accept charges for the call.

Called Station: The terminating point of a call.
