SPECIALIZED COMMON CARRIER SERVICE

SECTION 3. DESCRIPTION OF SERVICE

3.1 Classes of Service

Service is offered on a Customer Dialed Calling Card Station, Operator Dialed Calling Card Station, Operator Station, Person-to-Person and Real Time Rated basis. Charges for messages within these classes of service are based upon the day-of-week and the time-of-day that each initial period or additional minute begins as shown in Section 3.2.

3.1.1 Customer Dialed Calling Card Station - Customer Dialed Calling Card Station calls are completed as follows and may be billed to an RCN calling card or to a calling card other than a RCN calling card.

- (A) Customer Dialed and Operator Assisted - The digit zero and the called telephone number (0 + number) are dialed to complete the call. In such cases, operator assistance is limited to recording the calling card number for billing purposes.
- (B) Customer Dialed and Operator Must Assist - The Customer dials the Company operator or the desired telephone number and the local exchange operator services equipment capability precludes the Customer from completing the call without the assistance of a Company operator and the call is billed to the Customer's calling card.
