## SECTION 1.0 – DEFINITIONS (CONT'D.)

**Station** - The network control signaling unit and any other equipment provided at the Customer's premises that enables the Customer to establish communications connections and to effect communications through such connections.

**Subscriber** - The person, firm, partnership, corporation, or other entity that orders telecommunications service from the Company. Service may be ordered by, or on behalf of, those who own, lease or otherwise manage the pay telephone, PBX, or other switch vehicle from which an end user places a call utilizing the services of the Company.

**Terminal Equipment** - Any telecommunications equipment at an end of a telecommunications link – other than the transmission or receiving equipment installed at a Company location.

**Usage Charges** - Charges for minutes or messages traversing over local exchange facilities.

**User or End User** - A Customer, Joint User, or any other person authorized by a Customer to use service provided under this tariff.
