SECTION 3 - SWITCHED ACCESS SERVICE, (CONT'D.)

3.8   Rate Regulations (Cont'd.)

    3.8.3   Measurement of Access Minutes (Cont'd.)

        D.   The Company will use the Small Exchange Carrier Access Billing ("SECAB")
                guidelines, or the Carrier Access Billing System ("CABS") guidelines, or other
                system that emulates or otherwise produces a reasonable substitute for the output of
                SECAB or CABS, for billing all charges under this tariff. The Company will
                provide billing using a hardcopy format or upon request, a mechanized medium
                (e.g., cartridge tape, CD ROM, etc.). Bills will be accurate and contain sufficient
                supporting details to allow customers to account for the charges and to verify their
                accuracy in a reasonable and timely fashion. Requests for additional bill detail will
                be handled and priced on an Individual Case Basis (ICB).

    3.8.4   Moves

        A.   A move of services involves a change in the physical location of one of the
                following:

            1)   The point of termination at the Customer Premises, or

            2)   The Customer Premises

        B.   The charges for the move are dependent on whether the move is to a new location
                within the same building or to a different building as described below:

            1)   Moves Within the Same Building

                    When the move is to a new location within the same building, the charge for
                    the move will be an amount equal to one half of the nonrecurring charge for
                    the capacity affected. There will be no change in the minimum period
                    requirements.

            2)   Moves to a Different Building

                    Moves to a different building will be treated as a discontinuance and start of
                    service and all associated nonrecurring charges will apply. New minimum
                    period requirements will be established for the new service. The Customer
                    will also remain responsible for satisfying all outstanding minimum period
                    charges for the discontinued service.
