Volume Discount Rate - Applies to qualifying monthly usage services based on aggregated usage volumes across all customer billing telephone numbers within the state subscribing to Corporate Rewards. The volume discount rate is automatically adjusted should a customer's qualifying revenue vary between Corporate Rewards Tiers. Qualifying usage revenue is based on rating usage at the Corporate Rewards base rate. There is a maximum and a minimum qualifying usage threshold that a customer's usage must be within in order to qualify for a volume discount.

Centrex Value Additive – A Centrex Value Additive will be included in determining the qualifying usage threshold. The qualifying Corporate Rewards tier is determined by adding together the qualifying usage revenue with the Centrex Value Additive revenue. The monthly Centrex Value Additive revenue is determined by multiplying the number of Centrex lines by the Centrex Value Additive of \$25.00 per line.

Loyalty Discount - Customers that sign a one, two, or three-year service agreement are eligible for a loyalty discount. The initial loyalty discount will apply in the 13<sup>th</sup> month after a customer's commencement of Corporate Rewards service. For each succeeding year, up to and including the fifth year (that is, the year that begins with a customer's forty-ninth month of Customer Rewards Service), a customer will receive an increased loyalty discount, commencing with the first month of the succeeding year. After the fifth year, customers will continue to receive a loyalty discount capped at the fifth-year discount level. Loyalty discount will apply to the customer's discounted monthly usage charges and will be applied on a BTN level. Customers that exceed Tier 4 maximum monthly aggregated usage volume will not receive a loyalty discount.

Access Line Discount - Applies to Individual Message Business (IMB) Service, ISDN Basic Exchange Service, ISDN Primary Rate Service, PBX Trunks, FlexPath Service, and Enhanced FlexGrow<sup>®</sup> Service lines. Customers will receive a fixed dollar discount on eligible access lines.
