

LOCAL EXCHANGE TARIFF  
NEW YORK METROPOLITAN LOCAL AND TRANSPORT AREA

H. SPECIAL INCOMING REPORT TELEPHONE SERVICE

1. General

Special Incoming Report Telephone Service is furnished in New York City for reporting in by employees to their employers. The service consists of individual, auxiliary or trunk lines equipped for receiving incoming telephone calls only, with a billing arrangement, whereby all calls received from telephones located in New York City are billed to the subscriber.

The Service will be provided by the Telephone Company for subscribers with a minimum requirement of 10 lines per installation subject to the rates and charges specified in Section 1 following. (C)

The furnishing of service will require certain physical arrangements of the facilities of the Telephone Company and is therefore subject to the availability of such facilities.

2. Rates and Charges

See Section 1 of this Tariff following. (C)
