2.7.5 Cancellation For Service Interruption

Cancellation or termination for service interruption is permitted only if any circuit experiences a single continuous outage of 8 hours or more or cumulative service credits equaling 16 hours in a continuous 12-month period. The right to cancel service under this provision applies only to the single circuit which has been subject to the outage or cumulative service credits.

These charges shall become due and owing as of the effective date of the cancellation or termination and be payable within the period set forth in Section 2.6.2.

Customer's termination liability for cancellation of service shall be equal to:

- 1) all unpaid non-recurring charges reasonably expended by Company to establish service to Customer, plus;

- 4) minus a reasonable allowance for costs avoided by the Company as a direct result of Customer's cancellation.
