

PSC NO: 10 – Electricity  
Consolidated Edison Company of New York, Inc.  
Initial Effective Date: 03/18/2013

Leaf: 213  
Revision: 2  
Superseding Revision: 1

## GENERAL RULES

### 24. Service Classification Riders (Available on Request) - Continued

#### RIDER L - DIRECT LOAD CONTROL PROGRAM - Continued

##### E. Installation Award and Annual Awards

1. Participants will receive a one-time award after the Control Device or Devices are installed at their premises as follows:
  - a. Participants who have central air conditioning or other air conditioning equipment with thermostats at their residence will receive either a \$25 payment or \$25 gift card at the Company's discretion.
  - b. Participants who have central air conditioning or other air conditioning equipment with thermostats in their non-residential premises will receive a \$50 payment.
  - c. Participants who have wall or window air conditioning units or PTAC plug-in units will receive either a \$25 payment or a \$25 gift card at the Company's discretion.

Only one award will be given under subparagraph a, b, or c regardless of the number of Control Devices installed. However, awards may be given both under subparagraph a or b, as applicable, and under subparagraph c.

2. In the calendar year following the year in which the Control Device or Devices are installed and each calendar year thereafter, participants with wall or window air conditioning units or PTAC plug-in units will receive a \$25 payment or a \$25 gift card, at the Company's discretion, if the Company can verify that, for the aggregate number of hours of Events designated by the Company during the Summer (defined hereunder as May through October) of that calendar year, the participant allowed the Company to control the equipment during the majority of hours.

##### F. Restrictions

This program is available to participants in Rider U.
