SERVICE DESCRIPTIONS, Continued

3.1 INTRASTATE SWITCHED EXCHANGE ACCESS SERVICES, Continued

3.1.1 Standard Rate Categories

The Company combines traditional per minute Switched Exchange Access rate elements into a single composite per minute rate element. This element includes the following rate categories. The rate categories in this Section 3.1.1 apply to Switched Exchange Access Service and include the following combined categories.

A. End Office Switching

The End Office switching rate category establishes the charges related to the use of those portions of the Company's network that perform End Office switching functionality, the terminations in the End Office of End User lines and the termination of calls at intercept operators or recordings.

B. Switched Transport

The Switched Transport rate category establishes the charges related to the provision by the Company's Network of transmission and switching functionality between the Customer designated premises and the End Office(s) where the Customer's traffic is switched to originate or terminate the Customer's communications. The Switched Transport rate category also includes the functionality of transport between an End Office or equivalent within Company's Network that serves as host for a remote switching system or module.
