2.   Balancing Service Charge

        The Balancing Service Charge, as described in General Information Section 43, shall apply to all
        gas consumed by a customer under this Service Classification and shall be billed to the customer.

        Customers taking service under this Service Classification will be required to make a semi-annual
        election to have their gas deliveries and usage balanced on a daily or monthly basis according to
        the terms of this Service Classification for the following balancing periods:

                November 1 - April 30, inclusive
                May 1 - October 31, inclusive

        Existing customers will be required to notify the Company in writing, of their selected balancing
        option for an applicable balancing period on or before the date indicated on the Company's
        Calendar of Gas Transportation Schedule as defined in General Information Section 2 utilizing
        Attachment A to the service agreement included in General Information Section 35 or 36, as
        appropriate.

        Absent timely receipt by the Company of notification of a customer's selected balancing option,
        the customer will be placed on monthly balancing by default.

        A customer taking service under this Service Classification will maintain its balancing option for
        the full duration of the balancing period regardless of whether the customer switches to service
        under another service classification or its alternate fuel and subsequently returns to service under
        this Service Classification.

3.   New York State Assessment

        The New York State Assessment, as described in General Information Section 42.D, shall apply to
        each Mcf of MDQ per month and shall be billed to the customer.
