ACCESS SERVICE

3. CARRIER COMMON LINE ACCESS SERVICE (Cont'd)3.7 Rate Regulations (Cont'd)

(D) (Cont'd)

(2) Combined Access Groups – Equal Access Offices Only (Cont'd)

- (a) The Premium Access charge per minute set forth in 30.3 following will apply. The minutes billed will be all the terminating intrastate access minutes plus the adjusted originating intrastate access minutes for such combined access groups. The adjusted originating minutes will be the originating intrastate access minutes less the reported resold MTS, MTS-type, WATS, WATS-type service minutes of use. When the resold service is Telephone Company provided intrastate Private Line Service the Carrier Common line charges will be reduced to the extent that the resold Private Line Service revenue exceeds the cost of such Private Line Services. The Private Line contribution is specified in the OTIS II regulations found in PSC NY No. 1--COMMUNICATIONS tariff.
- (b) One line side Switched Access Service for each resold WATS and WATS-type service reported as set forth in 3.4(F) and (G) preceding will be billed local business exchange service rates as set forth in 6.7.3 (B) (1) (a) following.
- (c) Any line side Switched Access Service which is not offset as set forth in (b) preceding will be billed Switched Access Service as set forth in 6.7.3 (B) (1) (b) following.
- (d) Any trunk side Switched Access Service provided will be billed Switched Access Service as set forth in 6.7.3(B)(1)(b) following

(3) Combined Access Groups - Non Equal Access and Equal Access Offices

When a combined access group has usage that originates from and/or terminates at both end offices in the LATA that have been converted to equal access and end offices in the LATA that have not been converted, the following regulations apply:
