

XAND CLEC, LLC
NY P.S.C. Tariff No. 1 - Telephone
Initial Effective Date: October 31, 2012

Leaf No. 17
Revision: 0
Superseding Revision:

TARIFF FORMAT

Sheet Numbering – Sheet numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a page with the same number followed by a letter will be added. For example, a new page added between Pages 14 and 15 would be Page 14-A; a second page added would be Page 14-B.

Sheet Revision Numbers – Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the New York Public Service Commission. For example, the 4th Revised Page 14 cancels the 3rd Revised Page 14. Because of the various suspension periods, deferrals and other procedures, the New York Public Service Commission follows in its tariff approval process, the most current page number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the page currently in effect.

Paragraph Numbering Sequence – There are nine levels of paragraph coding:

2.
2.1.
2.1.1.
2.1.1.A.
2.1.1.A.1.
2.1.1.A.1.(a).
2.1.1.A.1.(a).1.
2.1.1.A.1.(a).1.(i).
2.1.1.A.2.(a).1.(i).1.

Check Sheets – When a tariff filing is made with the New York Public Service Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (“*”). The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on file with the New York Public Service Commission.
