SECTION 4 - SWITCHED SERVICES RATES AND CHARGES**4.10 Miscellaneous Charges (continued)****4.10.5 Order Expedite Charge**

Customers may request a change in the requested Service due date for pending Service Orders. When the Company accepts a request to expedite an order, the Company does not promise to deliver on the desired due date in advance of the normal service order interval. The Company will use its best effort to meet the desired due date. A one-time charge applies when the Customer requests a Service due date sooner than the standard interval due date, and Service is provided sooner than the standard interval due date. An Order Expedite Charge applies when a change of requested Service due date is the only Customer requested change to the original or supplemental Service Order. The Order Expedite Charge is as follows:

	Non-Recurring Charge
Rate Per Order	\$300

The Order Expedite Charge shown above applies for all Services which are provided by the Company as stand alone intrastate Services (i.e. when the Customer subscribes to one of the Company's outbound Service offerings for intrastate IntraLATA calling and selects another company for the provision of the Customer's intrastate InterLATA calling). When intrastate Service is offered by the Company as an add-on to one of the Company's interstate service offerings (i.e. Switched Services), the Order Expedite Charge applies pursuant to Company's interstate Voice Product Reference and Pricing Guide which may be found at www.att.com/guidebook
