SECTION 2 - RULES AND REGULATIONS

2.7 Obtaining Services

2.7.1 General

To obtain Service, the Company requires the Customer to provide the Company with whatever authorization the Company deems appropriate. For example, the Company may require the Customer to execute a letter of agency, service agreement, RespOrg agreement, contract, etc. depending on the Service(s) selected by the Customer. Service may be initiated based on written or oral agreement between the Company and the Customer. The Company reserves the right to require an Applicant to sign an application for the Service desired, on a form provided by the Company, as a condition for establishing Service. Applications for Service will be accepted by the Company provided that the Service is available, and the Company has no reason to believe the Customer will not comply with the provisions of this Tariff. The Company will also accept an oral application from a Customer for additions to or changes in existing Service. Upon the Company's acceptance of this authorization, all applicable provisions in the Company's Tariff, as amended from time-to-time, become the agreement for Service between the Company and the Customer. The Company reserves the right, at any time, to require any Customer to present proof of identification to the Company as the Company may then deem acceptable. Acceptance or use of Service offered by the Company shall be deemed an application for such Service and an agreement by the Customer to subscribe to, use, and pay for such Service in accordance with the applicable Tariffs of the Company. The Applicant must also establish credit satisfactory to the Company as provided in Section 2.7.2 of this Tariff.

2.7.2 Establishment of Credit; Indebtedness; Toll Restriction

The Company reserves the right to require all Applicants to establish credit worthiness to the reasonable satisfaction of the Company.
