SECTION 2 - RULES AND REGULATIONS

2.7 Obtaining Services (continued)

2.7.2 Establishment of Credit; Indebtedness; Toll Restriction (continued)

(B) Customer

If the conditions of Service or the basis on which credit was originally established have materially changed, an existing Customer may be required to establish additional credit. The Company reserves the right to examine the credit record and check the references of any Customer at any time. The Company may establish credit limits for new and existing Customers. Where a credit limit is established for a Customer, the Customer will be notified of the Customer's initial credit limit amount and any subsequent credit limit changes. The Company reserves the right to deny furnishing its calling cards to any Customer or Applicant the Company deems high-risk. Where a Customer becomes delinquent in payments, a new credit limit may be established that is lower than the Customer's initial credit limit. In the event a Customer's established credit limit is exceeded, or in the event a Customer becomes delinquent in the Customer's payments, the Company may implement its toll blocking process. Pursuant to that process, the Company may place a restriction on or discontinue Customer's use of intrastate long distance services, including calling card use, 1+, 0+, and all 900/976/700/500 calls until the Customer makes payment arrangements satisfactory to the Company.

Access to local calling, operator assisted calls, emergency services (9-1-1), calls placed via a toll free number (800, 877, 888 or other area code assignments as appropriate) will not be affected. In the event that toll access is restricted or blocked pursuant to the foregoing, Customers attempting to access restricted services will be automatically routed to either a recorded announcement or a service representative for information regarding restoration of service.
