##### 3.6.4 Rules and Regulations (continued)

###### (E) (continued)

- .3 A Customer who sells an ongoing operating business for which a TFS Number has been in use may transfer the right to continue to use the TFS Number(s) as long as (1) the Company is able to transfer such number under the Company's servicing agreement with vendors who provide a portion of the Service the Company offers to its Customer and (2) the transferee establishes credit pursuant to Section 2.7.2 of this Tariff.

###### (F) Release By the Company of Customer's TFS Number(s) for Porting to Other Carriers

- .1 A Customer may request that the Company release its TFS Number(s) so that another long distance service provider may provide toll free service to a Customer. The Company will release a Customer's TFS Number(s) only upon the following occurrences:
  - .a there are no outstanding unpaid, unresolved or disputed payments or any other payments or indebtedness due and payable to the Company by the Customer or its successors or assignees relative to any communications service(s) or Services(s) provided by the Company; and
  - .b there are no unsatisfied liens or claims for property against which payment for such communications service(s) or Service(s) have been guaranteed or otherwise collateralized.
- .2 The Company reserves the right to withhold its authorization of such transfer of such Customer's TFS Number(s) until the Customer's indebtedness is resolved to the satisfaction of the terms and conditions of this Tariff and any agreement(s) between the Customer and the Company.
- .3 The failure of the Customer to fulfill the terms and conditions of any agreement with the Company or the attempt to process a change of long distance service provider for the Customer's TFS Number(s) prior to the completion of a contract's terms and conditions (and/or before all payments and indebtedness have been paid or satisfied) shall cause the ownership of the TFS Number(s) to revert from the Customer to the Company, whereupon such Customer shall no longer possess the right to transfer such TFS Number(s) to any other long distance service provider and whereupon the Company shall have the right to reissue said number(s) at its sole discretion to any other party.
- .4 At the discretion of the Company, a cancelled TFS Number may be reestablished for the same Customer within four (4) months and, therefore, it cannot be selected by another Customer during that four (4) month period. After four (4) months, the TFS Number is returned to the pool where it can be selected by another customer under any Resp Org.
