## SECTION 2 - RULES AND REGULATIONS

### 2.26 Revenue and Term Plan Commitments (continued)

#### 2.26.8 Term Plan Renewal (continued)

##### (B) Business Customer Subscribes to All Other Business Optional Calling Plans

If the Business Customer does not notify the Company of its intent to cancel the existing term plan commitment, the term plan will automatically renew on the first day of the next billing cycle for the same length of term plan and MMC if applicable. Within thirty (30) days of the automatic renewal date of a term plan, if the Customer provides notice to the Company that the Customer wishes to cancel the new term plan commitment, the Company will adjust all early termination fees.

### 2.27 Aggregation Grouping

2.27.1 Aggregation grouping is the collecting of a Customer's multiple BTN(s) into a group such that all usage within this group can be combined to determine the Customer's usage rate or volume discount.

2.27.2 The Customer determines which BTN(s) will be aggregated. With Aggregation grouping, the Customer must select one BTN as the master BTN. The BTN(s) that go together in the Aggregation grouping will be assigned an Aggregation ID.

2.27.3 Changes to a Customer's Aggregation grouping (such as adding or deleting BTN(s)) will not affect the Customer's MMC, MAC or term plan commitment.

(A) If a Customer has combined Services, i.e. outbound and TFS aggregated together, and chooses to disconnect all of the outbound Services leaving only TFS line(s) that utilizes Switched Access to reach the long distance network, the POTS telephone number associated with TFS must be presubscribed to the Company for the provision of 1+ outbound long distance Service or the Customer's TFS plan must be transferred to one of the Company's High Volume Toll Free Calling plans described in Section 3.7.1 or Section 3.7.2 of this Tariff. Otherwise, the Company may terminate Service pursuant to Section 2.20 of this Tariff.

(B) If a Direct-billed Customer has combined Services, i.e. outbound and TFS aggregated together, and chooses to disconnect all of the outbound Services leaving only one (1) TFS, TFS may continue to be direct-billed.
