SECTION 3 – DESCRIPTION OF SWITCHED SERVICES

3.1 Operator Toll Assistance Services (continued)

3.1.5 Billing Options (continued)

(A) (continued)

.2 Calling Card

.a Description

This is a billing option which enables the Customer to charge a call to an authorized calling card number. Calling card rates and charges apply to all calls that both originate and terminate in the State regardless of the location of the billed Customer. Access to the long distance network for the purpose of billing a call to the Customer's calling card can be from tone-generating or rotary-dial instruments. The Toll Free Access Numbers associated with the Calling Card are the Group 2 Toll Free Access Numbers.

.b Availability

The issuance of the Calling Card is dependent on the Customer having a presubscribed BTN/BAN or dedicated trunk group BAN. The card is not available on a stand alone basis. Customer may elect one of four optional plans. Customers subscribing to any Option 1, Option 2, or Option 4 calling card will be LEC billed. Customers subscribing to any Option 3 will be direct-billed.

- .i Option 1 is available to Residential Customers that subscribe to one of the Company's outbound Service offerings that require Switched Access to reach the long distance network. The Customer must select the Company as its presubscribed long distance service provider for the provision of interstate outbound calling. The Customer must have a minimum of one line presubscribed to the Company.
- .ii Option 2 and Option 2 categories are available to Business Customers that subscribe to one of the Company's outbound Service offerings that require Switched Access to reach the long distance network. The Customer must select the Company as its presubscribed long distance service provider for the provision of interstate outbound calling. The Customer must have a minimum of one line presubscribed to the Company.
- .iii Option 3 and Option 3 categories are available to Business Customers that subscribe to one of the High Volume Calling plans for the provision of outbound Service.
