SECTION 3 – DESCRIPTION OF SWITCHED SERVICES

3.9 Grandfathered Services

3.9.1 Business Long Distance¹

¹ This Service is no longer available to new Customers or to existing Customers at new locations effective February 1, 2001.

- (A) Business Long Distance is a custom combination flat rate long distance optional pricing plan. The Customer may subscribe to outbound Service only, TFS only or both outbound and TFS. Customers subscribing to Business Long Distance may also subscribe to the Calling Card - Option 2 at the rates and charges shown in Section 1.9.1 of the Price List.
- (B) This optional calling plan is available to new and existing Business Customers that (1) use Switched Access to reach the long distance network for outbound calling and/or to receive calls from the long distance network for TFS and (2) request to be provisioned under this optional pricing plan.
- (C) For outbound calling, Customers or End Users can access the Service by dialing one plus (1+) the area code + the called telephone number. For rules and regulations regarding TFS, see Section 3.6.4 of this Tariff.
- (D) For outbound Services provided via a Switched Access arrangement, Business Customers may subscribe to Business Long Distance for the provision of (1) intrastate InterLATA and intrastate IntraLATA calling; (2) intrastate InterLATA calling only and select another company for the provision of the Customer's intrastate IntraLATA calling; or (3) intrastate IntraLATA calling only and select another company for the provision of the Customers's intrastate InterLATA calling. For rules and regulations regarding TFS, see Section 3.6.4 of this Tariff.
- (E) All calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds.
- (F) This optional calling plan is established at the BTN level. For outbound calling, if a Customer selects a different price plan for specific WTN(s), the Customer is required to establish a separate BTN for each variation. If a Customer selects a different price plan for specific TFS Numbers, the Customer is required to establish a separate BTN for each variation.
