3.7.7 AT&T Business Calling formerly Long Distance For Business

AT&T Business Calling is a combination switched TFS, outbound, and calling card optional pricing plan available to Business Customers. This optional calling plan is available to new and existing Business Customers (1) that use Switched Access to reach the long distance network for outbound calling and/or to receive calls from the long distance network for TFS and (2) that request to be provisioned under this optional pricing plan. The rates and charges specified herein provide for a usage sensitive charge. All calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of sixty (60) seconds. When ordering Service, the Business Customer must specify if Long Distance for Business is to be used for outgoing calls only, inbound calls only, or both. Multiple BTN aggregation is not available with this Service.
