When ordering Service, the Business Customer must specify if Total Solutions Plus is to be used for outgoing calls only, TFS, or both.

Total Solutions Plus is available to new and existing Business Customers that (1) request to be provisioned under this optional pricing plan; (2) utilize Switched Access to receive calls from the long distance network for TFS and/or to reach the long distance network for outbound calling; and (3) subscribe to at least one of the following products, services or features under the terms and conditions of the applicable Affiliated LEC or Affiliated CLEC tariff: (a) Centrex, (b) T1.5 access line or (c) DSL Internet and shared web posting.

The start of Service date for Total Solutions Plus may be on or after the installation date of the products, services or features discussed in (3) above.
