Upon acceptance by Company, this application shall constitute an agreement and contract for supplying

 injuries arising out of or in the course of their employments.

The Company shall not assign, transfer, convey, sublet or otherwise dispose of its agreement or its right, title or  
 interest therein or its power to execute the same to any person or corporation without previous consent of customer,  
 provided that a consolidation or merger in which Company participates shall not be deemed to be within the provisions of  
 this paragraph.
