4.1.1 General Description

Travel Card Services are available for originating telephone calls. Service is accessed by dialing the Company-designated access numbers or via the Company's Operator services. In those instances in which the Customer places a jurisdictionally local call using this service by dialing the long distance access method described above, the call will be carried by the Company and charged at the rates listed herein and according to the terms and conditions of this tariff. Travel Card Service is offered to Customers with lines presubscribed to Company services and to Customers of a Company affiliated local exchange carrier who are not presubscribed to the Company's services. The applicable rates, including usage and per call charges, vary based on whether the Customer is presubscribed to the Company and which Company rate plan is selected by the Customer. In addition, a per call service charge as specified below applies when operator assistance is provided by the Company.

Travel Card Service is offered in three versions. 1) A version that offers calling anywhere, including to international locations and country-to-country calling, except to and from blocked countries; 2) a version that allows only domestic calling within the 50 United States and the District of Columbia, American Samoa, Guam, Puerto Rico, U.S. Virgin Islands and the Northern Mariana Islands; 3) a version that allows calls to a designated telephone number only. International termination and country-to-country calling are not available with Options 2 and 3.

When operator assistance is provided by the Company operator to complete the call, a per call service charge applies as specified below. Service charges do not apply when the caller places the call from a rotary dial telephone and must use the operator to input the required digits. Service charges apply to each completed call, in addition to the usage charges specified above. See per call Service Charge rates applicable to Operator Assisted Station to Station or Person to Person in the Current Rates Section of this tariff.
