## Resale Services

**9. Other Services**  
**9.1 Call Usage Detail**

<b>9.1.2 Responsibility of the Telephone Company</b>	
<b>A.</b>	The lapsed time between usage recording by the Telephone Company and delivery to the reseller will not exceed eight business days.
<b>B.</b>	The Telephone Company will store reseller usage data for 45 days from the date of transmission to the reseller.
<b>C.</b>	All call usage detail will be provided in exchange message record format, based upon bellcore standard definition.

<b>9.1.3 Regulations</b>	
<b>A.</b>	<b>Change in Format</b> — A reseller may request a change in the local call usage detail service format between summary and complete call detail no more than once a month by giving the Telephone Company 30 days' notice of the requested change in detail format and the telephone numbers affected.

<b>9.1.4 Application of Rates and Charges</b>	
<b>A.</b>	<b>Record Processing</b> — A per record processed charge applies.
<b>1.</b>	A record is a logical grouping of information as described in the programs that process the information and load the magnetic tapes or data file.
<b>B.</b>	<b>Tape or Cartridge</b> — Available in addition to or in place of data transmission.
<b>1.</b>	When a tape or cartridge is provided in lieu of data transmission, data transmission charges are not applicable and a per tape or cartridge charge is applied. If a tape or cartridge is requested in addition to data transmission, both the per tape or cartridge charge and the per data transmission charge applies.
