4. Pricing Exception Charge

The obsolete annual pricing exception charges per unit, without volumetric charges and adjustments, are presented below in Table 19. The following annual charges represent values specific to facility combinations established prior to the effective date of this Tariff. This listing will be amended hereafter to reflect changes in the number of units or the type of facilities listed. The number and types of units listed herein, are the number and types in service as of December 31, 2009.
