SERVICE CLASSIFICATION NO. 2  
STREET LIGHTING - UNMETERED  
COMPANY OWNED / COMPANY MAINTAINED

**APPLICABLE TO USE OF SERVICE FOR:**

The lighting of streets, highways, roadways, and ways open to public use by vehicles or pedestrians in parks or other public places, for the State of New York, for municipal corporations, for duly constituted street lighting districts, and for duly constituted public agencies, public authorities and public corporations.

**CHARACTER OF SERVICE:**

Electric service is provided to Company owned, operated and maintained facilities at a designated service type, as defined below, by the Customer. Reference General Information, Section IV.

A. Overhead Service (OH)

Reference General Information, Section IV.

B. Underground Service (UG)

Reference General Information, Section IV.

C. Underground Residential Distribution Service (URD)

Underground Residential Distribution Service is available in those areas where the Company operates an underground distribution system at the appropriate service voltage to operate and/or support the facilities or equipment applicable in this service classification. Application of this service is limited to those locations absent of hardscape in the opinion of the Company. Eligibility for this service is conditioned upon the underground distribution system meeting the definition and requirements of Underground Distribution as set forth in Rule 16 of the Company's Electric Tariff and all other applicable terms and conditions.

**APPLICATION FOR SERVICE:**

Written application for service upon a Form "SL2" executed by a duly authorized representative of the customer is required, to which shall be attached a schedule designated Schedule "SL2", listing the facilities to be supplied initially. Such application and attached schedule, when accepted by Company, shall constitute an agreement between customer and Company, subject to the terms and conditions set forth in this service classification. Except for extenuating circumstances or requirements, when accepted by the Company, there will be one Form "SL2" per customer which will constitute a single account and whereas multiple street lighting districts may be included within the single account. There shall be only one customer of record for a designated circuit of street lighting service and that customer is responsible for all terms and conditions set forth in this service classification.
