Transmission (>60 kV)	\$ 2.70	\$0.00000

New Allocations are defined in Special Provision M below.

M. EXISTING AND NEW ALLOCATIONS DEFINED

New Allocations as used in Special Provisions K and L above shall be defined as allocations approved by NYPA's trustees after February 1, 2002, but shall not include:

Replacement Power that becomes available for reallocation prior to September 30, 2002 under Article V of the Agreement: "Allocation and Transfer of Replacement Power Pursuant to Niagara Contract NS-1" dated April 4, 1988; or

Transfers and assignments of allocations from a customer premise / location on Niagara Mohawk's system (i.e., a change in ownership / occupancy of a premise / location will not be deemed "new").

Existing Allocations as used in Special Provisions K and L above shall be defined as allocations which are not New Allocations.

A customer with an Existing Allocation (may receive a New Allocation without causing its Existing Allocations to be classified as New Allocations under this service classification.
